

## Quotes from previous Fellowship graduates:

"Best training I ever had in the PHS."

"It was a highlight of my work life thus far."

"My project resulted in over \$500,000 in roadway improvements."

"The opportunity to meet so many IP practitioners from around the world was priceless."

Conducting a home survey to evaluate a community smoke alarm program.

Fellows visited a university-based EMS system to learn about emergency transport services - their value, costs, and data opportunities.

**Applications must be received by  
November 1, 2010.**
